***YEAR 12 STUDENTS RESUMPTION ***

We are happy to inform you that the year 12 students are back to school in preparation for their West Africa School Certificate examinations commencing on 17th August.

A team of 11 officials from the Lagos State Ministry of Education Office of Quality Assurance visited the School on Friday 7th August, 2020 to assess how compliant and safe the school is in readiness for full reopening. We are happy to inform you that we have been duly certified as very compliant.
